IN MEMORY

Mr. Dubinsky

I cannot say, and I will
not say
That he is dead. He is
just away.
With a cheery smile, and
a wave of the hand,
He has wandered into an
unknown land
And left us dreaming
how very fair
Its needs must be, since
he lingers there.
And you — oh, you, who
the wildest years
For an old time step and
the glad return.
Think of him faring on,
as dear
In the love of There as
the love of Here.
Think of him still as the
same, I say,
He is not dead — he is
just away.

James W. Riley

That blue ominous cloud called death
sweeps gently earthward.

Hesitating and then softly floating
down, down, down; sniffing out that
warm glow called life with a whisper.

Leaving an empty hollow shell. That
which once walked, talked, and smiled.

It's gone now, on the long journey
back, nothing will replace it.

Take good care, take good care . . .

EDMUND G. BROWN
GOVERNOR

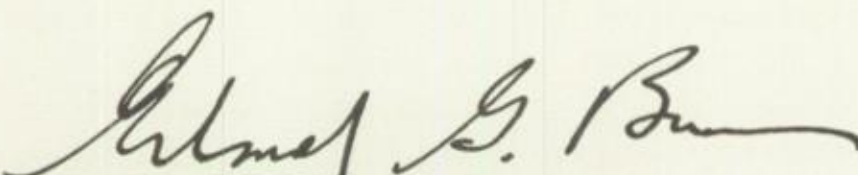

State of California
GOVERNOR'S OFFICE
SACRAMENTO

It is most fitting that your yearbook should be dedicated to California, for this year our state has attained the number one spot in the Nation, and now leads the United States in population, in per-capita income, in agricultural production, in world trade, and a variety of other firsts.

Most importantly, nowhere in the world is there a better, more broadly based public-school system than California's. We spend more on education each year than 43 other states spend on all government services, because we believe that education is the key to the future.

I hope you share Abraham Lincoln's thirst and quest for knowledge, for there are limitless vistas open to the youth of today. I urge you to use that key to the future - it belongs to you.

EDMUND G. BROWN, Governor

MRS. MECKFESSEL

As these pages now and through the years recall to you the privilege of high school life, then, may they endlessly inspire you to the high standards demanded of the graduates of your school. May you fulfill the promise which is in each of you, and may you be an inspiration to all whose paths you cross. If this book preserves for you the memory of bygone days—keeps alive for you the ideals of your school—urges you on to better things in the future—it will have fulfilled the purpose for which it was designed, and you will have joined the ranks of outstanding alumni who remember Abraham Lincoln High School with fond affection.

A.F.S.

When, in future years, I look back on 1964-65, I am sure that I will be able to say that this year has been one of the most enjoyable and informative I have spent. While in school I have enjoyed learning many things about the United States, and I have enjoyed being part of the school spirit shown at Lincoln. I wish to thank the faculty and students of Lincoln for providing the opportunity, as supporters of the American Field Service to me so that I could study here at Lincoln.

STUDENTS

Last summer the American Field Service sent Dick Newfarmer to Germany as Lincoln's foreign exchange representative. Living in Emmerich, Germany on the Rhein, Dick had the opportunity to learn the customs and way of life of this European country. Dick said the people are very friendly, and this made the trip unforgettable as well as educational.

Dick and his German Brother.

REDWOOD AND THE SENIOR

Random impressions of a visiting Yorkshireman
Silence. Stillness

Redwood trees, tall and strong, with soft, thick bark,
Made for the warm soft evenings of summer,
When the light alters slowly, minute by minute,
And the long shadows move imperceptibly
Across the still branches, and lie upon the sloping ground.

How can I compare these Redwoods with you Seniors, who follow
here?

Tall? Strong? Or Soft and Thick? Silent? (Some hope!)
Made for the warm soft evenings of summer?
Or lying imperceptibly upon the sloping ground?

This is no way

To show these people I have laughed with,
Shared my mornings with—calling vainly for silence.
Poured over your assignments. Puzzled at your spelling.
(Who ever heard of "Color"? Or "Nite Lite"?
Or "Period" for "Full Stop" or "French Fries" for "Chips"—French,
indeed!)

I have stood astonished at your strange barbaric rituals.
The wagging Pom Pons. The muscular he-men
Sheltered behind huge white helmets and under massy shoulder
pads
Charging erratically like human Bumper Cars about an Oval Ball
Spectators rarely see. (Do you?)

And we? The Spectators?

Yelling for blood. Spelling out names with a rhythmic jungle ecstasy
Wearing White. Doing Right . . . (Sometimes)
That is part of how I see you.

Have met you, too, on Twirp Day.
Girls in frog flippers, paper bags discreetly over the head,
Bowing deep to handsome-or-not boys.
Girls placarded like Freeway billboards.
"Say 'Hi' and get a surprise"
(Nice surprise. Though not entirely surprising.)

Or at Election Time. (**Who** for Secretary? Tie a bow
Around your toe.)
STOP with Karen? **GO** with Margo? (Which light for which?)
Does Pep need a Leader? Where?
GRRRRRR. (Or words to that effect.)
But don't forget to vote.

Play Rehearsals?

"Sorry. I have to go early today"
"Lines learned by **THIS WEEK**? You didn't mean that, did you?"
"I'm **NOT** falling on that stage in this skirt."
—Well, you couldn't call them dull.
(No chattering in the audience please . . . or else)

And the genial, truculent questions.

"What is my grade?" "May I go to my locker?"
"Why's that wrong?" "Can I hand this in later?"
"Tomorrow?" . . . "Next Week?"

"Why don't you go home?"
I will remember these!
No, Redwood trees are no analogy.
Though quite a telling contrast.

For the last word I should use of Seniors
Is Stillness.
And the next to last
Is Silence.

On the whole I like you more than Redwoods.
Honestly!
Thanks.

Lincoln's royal court for the Big Bone Ball and game were Queen Bonnie Jelcick (center), and Princesses Anna Koopman (left) and Debbie Guirich.

The location of the Big Bone Ball alternates between Lincoln and San Jose each year. On November 26, Lincoln successfully hosted the dance in our gym.

BIG BONE ACTIVITIES

Lincoln's Queen Bonnie and San Jose's Queen Anna Sierra seen with their mascots during half-time entertainment.

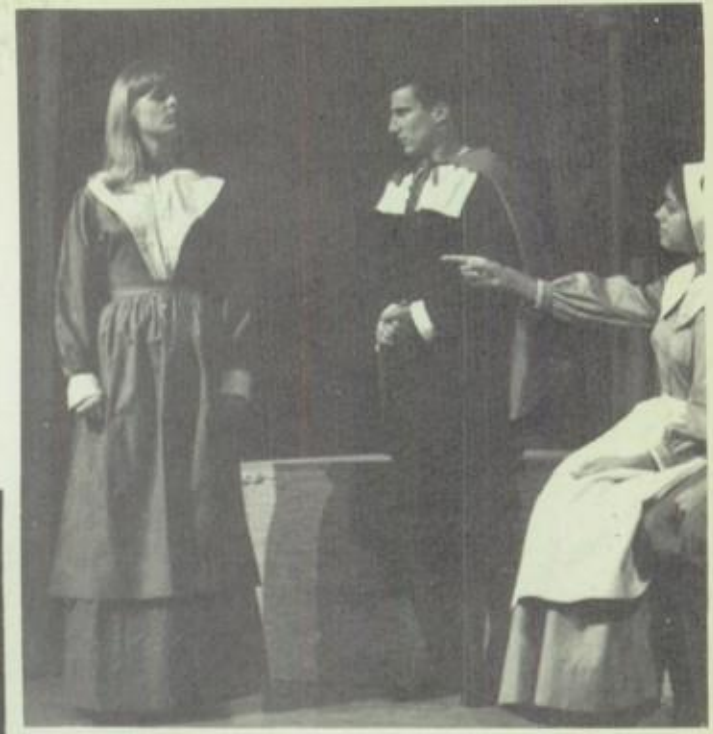

Despite persistent rain and mud the Lions exhibited their usual strength on the field. Although the game ended in a 7-7 tie, the BONE STAYED HOME!

This year's varsity football team ended league competition with a record of three victories, two losses and two ties. Besides league play, the varsity played two non-league games, defeating Oakland-Tech by the score of 7-0 and losing to Cubberly 13-7. Though not having the same great season as last year's varsity, Lincoln placed third in league competition and six Lions received all-league recognition.

Goodman runs off tackle for 10 yard gain against Oakland.

Power plays by Mike get those needed yards.

Guido breaks away for 15 yards.

Heckendorn runs option play against Cubberly.

Tognetti snares another pass.

Mike shows how the slant play should be run. With outstanding blocking by backs and lineman.

Lincoln's 1964 offense was primarily a running attack. However quarterback Jim Heckendorn (Honorable Mention All-League) and Fullback Dennis Tognetti (Honorable Mention All-League) combined to give Lincoln a passing greatness. Halfbacks Ron Dunham and Mike Goodman were the leading ground gainers for the varsity. Ron was honored with All League Defensive Back honors while Mike made All League Offensive Back and the Most Valuable Back in the M.H.A.L. Fleetfooted Goodman also made Honorable Mention All Center Coast.

First was the word for the Sophomore football team. It was their first year in existence and first league championship. Coaches Wes Stevenson and Tim Woods made it three consecutive football championships with a record of 6-1.

It was a great team effort as the All-League selections showed. First team All-League offense were Pat Nolan, Roy Nakamoto, Ken Escobar, and Bill Pence. First team defensive players were Jim Loney, Bill Snyder, and Bob Diaz. Other outstanding players were Gary Heckendorn, Kurt Hogeboom and Tony Labadak, who made Honorable Mention.

Lincoln's Varsity Water Polo team, coached by George Brinck, had an outstanding season this year. The best team Lincoln has ever had, they were undefeated the first half of the season and lost only two games in the second half. They lost the MHAL Championship by only one point, nevertheless, they still had the opportunity to represent our school in the NCS finals.

VARSITY BASKETBALL

After losing the first 2 out of 3 games, the Lions came back to win 11 straight league games and take the championship. Coach Richards saw the best spirited team he has ever seen. Seriously hurt by graduation last year, the Varsity squad had only one returning regular, Ralph Ogden, this year's M.H.A.L. most valuable player and leading scorer, and two lettermen, Mike Goodman and Al Schultz. A number of fine B and J. V. performers moved up to play key roles in Lincoln's success. Jim Frazee, Dennis Chancellor, Ken Errington, Bob Seeger and Nick Rodriguez were able to fill the openings created by graduation. Stan Bartelmie, a senior transfer, also added greatly to Lincoln's late season drive. Coach Richards has now compiled a very impressive 33-3 record in the past three championship years. The picture below shows the victorious varsity and their coach before a dip in the swimming pool.

Outstanding players were brothers Rudy & Bob Hernandez, Mark Cicarello, & Gilbert Salares.

IN MEMORY

John Aronson

With his dedicated reliability and enthusiasm John Aronson became an integral part of Abraham Lincoln High School. His intense competitiveness on the field was balanced by his quiet consideration for others. His contributions were many — as a student-body officer and athlete he was an inspiration to all who were privileged to know him.

The yearbook staff would like to extend special thanks to the school photographers for work on this book: Richard Urrutia and Richard Kelso.

On behalf of the editors and staff, we would like to express our appreciation to Tony Rose Studio for all the time spent on photography for Monarch 1965. Their help contributed greatly to making this year's book, Lincoln's best. Thank you again.
